2010 Indiana W-2/WH-3 Reporting

Effective July 1, 2010, any employer that files more than 25 W-2s in a calendar year is required to file both the WH-3 form and their W-2s electronically. This new law ([IC 6-3-4-16.5](#)) applies to W-2s filed after Dec. 31, 2010.

After I have uploaded my file, do I need to send in my paper W-2s?

No. If you upload your W-2 information through batch upload, you should not submit paper W-2s to the Department.

After I have uploaded my W-2 file in INtax or batch upload, do I need to send in my paper WH-3?

No. If you upload your W-2 information in INtax, you should not submit paper W-2s or WH-3s to the Department. This is also true for files uploaded through the batch upload process.
